George Schaub, a well known Ger-
man citizen of New Lebanon, Ohio, is
a constant reader of the Dayton Volks-
zeitung. He knows that this paper
aims to advertise only the best in its
columns, and when he saw Chamber-
lain's Pain Balm advertised therein
for lame back, he did not hesitate in
buying a bottle of it for his wife, who
for eight weeks had suffered with the
most terrible pains in her back and
could get no relief. He says: "After
using the Pain Balm for a few days my
wife said to me, 'I feel as though born
anew,' and before using the entire con-
tents of the bottle the unbearable pains
had entirely vanished and she could
again take up her household duties."
He is very thankful and hopes that all
suffering likewise will hear of her
wonderful recovery. This valuable
liniment is for sale by W W Keeling.
